

# Notice Re: Workshop on Market Participant Offer Behaviour

August 31, 2010

## NOTICE TO MARKET PARTICIPANTS & STAKEHOLDERS

### **Re: Workshop on Market Participant Offer Behaviour**

On August 4, 2010 the MSA posted Stakeholder Comments received on the MSA's two recent discussion papers [[Foundational Elements](#) (April 27, 2010) and [Analytical Framework](#) (June 17, 2010)]. At that time the MSA indicated we would work with participants on developing examples, with appropriate analysis and commentary, to form the basis of a workshop. For further details on the consultation to date are available on the MSA website (<http://www.albertamsa.ca/1172.html>).

This notice is to invite interested stakeholders to a workshop:

**Date and time:** September 17, 2010, 9:00 am - 12:00 pm

**Where:** Main Boardroom, Alberta Utilities Commission, Fifth Avenue Place, 4th Floor  
425-1st Street SW, Calgary

**Registration:** Please register via email to [stakeholderconsultation@albertamsa.ca](mailto:stakeholderconsultation@albertamsa.ca) by **September 15, 2010**. Attendees will need to sign in at the AUC's reception on the 4th Floor.

The MSA is continuing to work on examples and intends to publish these a least one week prior to the workshop. Stakeholders with examples of conduct that they believe would benefit from greater clarity / discussion should contact the MSA as soon as possible. After the workshop the MSA expects to be in a position to produce a Draft Guideline.

Matt Ayres
