

NOTICE TO MARKET PARTICIPANTS AND STAKEHOLDERS

Date: September 18, 2015

Re: MSA Stakeholder Meeting

The MSA will be hosting an afternoon stakeholder meeting in Calgary on October 14, 2015 for the general purpose of facilitating dialogue amongst industry groups on the MSA's work and as important input into the MSA's fall planning and priority setting for 2016.

The planned meeting format will consist of a panel session involving representation from industry. This is the same format as the meeting held last fall which seemed to be well received by attendees. In the lead up to the meeting we will be reaching out to the stakeholder community to participate on the panel. The event will conclude with time for informal discussion and refreshments.

Particulars including the meeting agenda are in development but will be made available ahead of the meeting. Contact me if you have particular areas you would like discussed.

Please mark this in your calendars and advise Donna Ehrhardt at (403) 705-3181 or donna.ehrhardt@albertamsa.ca by October 5, 2015 if you plan to attend so we can estimate numbers.
