Re: AUC Proceeding 3110

Application for Consent Order

This afternoon the MSA filed an application under Section 54 of the *Alberta Utilities Commission Act* requesting that the Alberta Utilities Commission issue a consent order in respect of Phase 2 of Proceeding 3110. Section 54 provides as follows:

If the Market Surveillance Administrator and the person named in a notice agree on a means to resolve all or part of a matter before the Commission, they may request the Commission to issue a consent order in respect of the matter or part of the matter

If granted by the Commission, this would bring Proceeding 3110 to a final and binding conclusion.

A copy of the application filed with the Commission is [attached](#).
