Re: AUC Proceeding 3110

Consent Order

On October 29, 2015 the Alberta Utilities Commission approved the consent order proposed by the MSA and TransAlta. The Commission's decision (Decision 311—D03-2015) and an executed copy of the order can be found on the Commission's website [http://www.auc.ab.ca/regulatory_documents/Proceeding Documents/2015/3110-D03-2015.pdf](http://www.auc.ab.ca/regulatory_documents/Proceeding_Documents/2015/3110-D03-2015.pdf)

As this brings Proceeding 3110 to a final and binding conclusion, the MSA will shortly propose a meeting of stakeholders to discuss a consultation process to consider revisions to the MSA's Offer Behaviour Enforcement Guidelines.
