2013-04-24	Meals	(799.27) PREPAID		-		PREPAID	The purpose of the dinner meeting was to expose Alberta electricity agency leaders and a senior government official to issues in other electricity markets. The dinner was scheduled to coincide with an international conference of market monitors hosted by the Market Surveillance Administrator in Calgary. There were 12 guests. Attending from outside Alberta were representatives of: Potomac Economics (Texas), Monitoring Analytics (PJM), the Market Surveillance Panel and Independent Electricity System Operator (Ontario), and the Australian Energy Regulator. ** This item was planned for disclosure as a hospitality expense in the Alberta Gazette but the MSA has subsequently been advised that Gazette filings do not apply to the MSA. Hence the revised expense disclosure for April.
