

NOTICE TO MARKET PARTICIPANTS AND STAKEHOLDERS

October 13, 2020

Re: MSA Compliance Process consultation – virtual stakeholder meeting October 29

On September 25, 2020, the MSA issued a [Notice](#) containing the comments it had received from nine stakeholders regarding the MSA Compliance Process. For greater clarity, the MSA is currently in the “Draft” phase of its Stakeholder Consultation Process.¹

Following its review of these comments, the MSA will post a revised version of the Compliance Process no later than October 23. The MSA will host a virtual stakeholder meeting on October 29 from 10:00 a.m. to 12:00 p.m. to walk through, discuss, and take feedback regarding the proposed changes. Anyone who is interested in participating in the virtual stakeholder meeting can register by sending an email to stakeholderconsultation@albertamsa.ca by noon on October 27. Attendance information will be provided to registered attendees on October 28.

Following the virtual stakeholder meeting, written comments from stakeholders will be solicited. After these comments have been received, the MSA will make final revisions to the Compliance Process.

The MSA appreciates stakeholder efforts and engagement with this consultation process.

Sincerely,

Derek Olmstead
Market Surveillance Administrator
