

## NOTICE TO MARKET PARTICIPANTS AND STAKEHOLDERS

Date: January 3, 2013

Re: MSA Staff Changes

As many of you know, the Market Surveillance Administrator's Senior Legal Counsel, Douglas Wilson, has moved to Ontario and effective January 1, 2013 is no longer an employee of the MSA. Douglas has been a valued member of the MSA team and its public face on some files for several years. We will miss Douglas' dedication, insight, balance and good humour. We wish him well in this new phase of his career. He can be reached at [write.on@telus.net](mailto:write.on@telus.net).

Eeva White joined the MSA as Legal Counsel in May 2012 and is the contact for any continuing matters. Eeva may be reached at [eeva.white@albertamsa.ca](mailto:eeva.white@albertamsa.ca) or (403) 705-3192.
