ISO Rule Section	203.4	Date of Contravention	August 19, 2025
Date of Referral/Self Report	September 5, 2025	This is the first contravention by this asset for this section of the ISO rules within a rolling 12-month period.	

MSA FINDINGS

Section 203.4 of the ISO rules states, in part:

5(1) A pool participant must, if a source asset experiences an operational deviation, verbally inform the ISO as soon as practicable of the occurrence of the operational deviation and provide a description of the cause if known.

(2) A pool participant must inform the ISO of the information required under subsection 5(1) on a telephone line the ISO designates, which must contain a voice recording system.

(3) A pool participant must, if an operational deviation extends for 20 minutes or longer, submit an available capability restatement or MW restatement for the source asset that represents the operational capability of the source asset and must do so no later than 20 minutes after the commencement of the operational deviation.

On August 19, 2025, at approximately 7:09 the asset HUL1 experienced an operational deviation and did not submit an Available Capacity restatement within 20 minutes.

The MSA is satisfied that the conduct was a contravention of section 203.4 of the ISO rules.
