**NOTICE TO MARKET PARTICIPANTS & STAKEHOLDERS**

**Re: Roundtable on Market Participant Offer Behaviour**

Further to the notice of February 8, the [detailed agenda](#) provides a structure and additional information for our session scheduled for February 18, 2010 (note the new venue below). Two hours is a relatively short time so we will start promptly at 3:00 pm and stick closely to the agenda. If you are planning to participate I encourage you to read and think about the material in advance and be prepared to speak; there will be no presentation by the MSA. Remember the focus of this meeting is on issue definition and process, not content or solutions. If you feel there is not adequate time to express your views during the meeting, as noted in the agenda, you can consider submitting written comments by February 25, 2010.
