### Summary of Average Pool Price and Gas price

Alberta's Market Surveillance Administrator (MSA) is in place to monitor Alberta's electricity and retail natural gas markets for fairness and balance in the public interest. The Market Surveillance Administrator keeps a close watch on the overall performance of Alberta's electricity and retail natural gas markets ensuring that they continue to operate in a fair, efficient and openly competitive manner. In our efforts to keep you regularly informed on key market indicators in Alberta's evolving electricity market, we prepare and publish a Daily Snapshot each business day. The Daily Snapshot complements our other regular publications, the weekly Market Monitor and Quarterly Reports.
